

**WINTER UNIVERSITY,
MOHAMED KHIDER UNIVERSITY, BISKRA,
FROM 24 TO 29 DECEMBER 2011**

The Consulate of Algeria in London informs all the Algerian competences living in the United Kingdom and Ireland that the Secretary of State in charge of the National Community abroad will organize in partnership with the Minister of Higher Education and Scientific Research and in cooperation with the Algerian Competences Association (ACA) a Winter University from 24 to 29 December 2011 at Mohamed Khider University, Biskra, Algeria.

This important scientific event is open to labs directors, directors of research centres and institutes as well as to research directors and managers.

The themes selected for this Winter University are: concepts and tools for management and leadership; human resources management; strategic planning, design and running of research labs and centres; innovation; creation of incubators and launching of spin offs.

A first call has been made to the skills abroad meeting the required profiles to contribute to this Winter University and to ensure the delivery of high quality of training and transfer of knowledge.

It should be noted that applications will be made on a voluntary basis.

It should also be noted that the costs of transportation from the country of residence to Biskra, the accommodation and food will be covered by the organizers.

The courses and instructors will be selected by the Scientific Committee set up for this purpose.

For more information, the interested national skills living in the UK and Ireland are invited to visit the website of the Secretary of State in charge of the National Community at: www.seccne.mae.dz
